You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Site after the date such revised Privacy Policy is posted.

DISCLOSURE OF YOUR INFORMATION

I may share information I have collected about you in certain situations. Your information may be disclosed as follows:

By Law or to Protect Rights

If I believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of my policies, or to protect the rights, property, and safety of others, I may share your information as permitted or required by any applicable law, rule, or regulation. This includes exchanging information with other entities for fraud protection and credit risk reduction.

THIRD-PARTY WEBSITES

The Site may contain links to third-party websites and applications of interest, including advertisements and external services, that are not affiliated with me. Any information you provide to these third parties after leaving the site through one of these links is not covered by this Privacy Policy, and I cannot guarantee the safety and privacy of your information. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems include a Do-Not-Track (“DNT”) feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. No uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, I do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that I must follow in the future, I will inform you about that practice in a revised version of this Privacy Policy.

You may at any time request for the information I have collected about you to be deleted by contacting me using the contact information provided below. Upon your request to terminate your information, I will remove it from my active databases. However, some information may be retained in my files to prevent fraud, troubleshoot problems, assist with any investigations, enforce my Terms of Use and/or comply with legal requirements.
